

## # hacker news

**Get back to work!**

Sorry, you can't see this page. Based on the anti-procrastination parameters you set in your profile, you'll be able to use the site again in 75 minutes.

(If you got this message after submitting something, don't worry, the submission was processed.)

To change your anti-procrastination settings, go to your profile by clicking on your username. If noprocrast is set to yes, you'll be limited to sessions of maxvisit minutes, with minaway minutes between them.
